

Driving Transformation

Bringing our strategic plan to life through collaborative governance

"In our current changing environment we need to be flexible and able to address challenges in new, innovative ways. We need to be evidence informed, connected to our community and confident to respond in the appropriate manner." (IHSP)

Board Members and Executive Directors and CEOs are invited to join the Mississauga Halton LHIN Governance to Governance session to set the stage to drive transformation through collaborative governance.

With the insight and participation of over 1,700 public and health service participants, the IHSP is a shared road map we have built together, with a clear focus on the person (patient/consumer, caregiver, family member) as a partner at the centre of all that we do.

Date:
Thursday, February 7, 2013

Time:
5:00 p.m. - Registration and
light dinner
5:30 p.m. - Session starts

Location:
Holiday Inn Oakville
[590 Argus Road](#)
Oakville, ON L6J 3J3

Questions?
angela.jacobs@lhins.on.ca

Collaborative governance is one of the key enablers, essential to the success of the IHSP. At this Governance to Governance session we will discuss how we can leverage collaborative governance to achieve the IHSP goals and ultimately its priorities.
