Congratulations, on your team winning the 3M Health Care Quality Award in the Non- Acute Care Hospital Environment category. You have now joined an elite group of people who have previously won this award.

The Mississauga Halton Local Health Integration Network group, has proven that it has an exceptional team that had dedicated their work to performance excellence in the,

**“Supports for Daily Living Program
A Winning Community-Based Solution for
Addressing ED, ALC and LTC Pressures
in the MHLHIN.”**

This innovative approach has taken Quality to the “Extreme”.

Once again, Congratulations!

Yours sincerely,
